

CRYSTAL EXPEDITION CRUISES

In 2020, Crystal Expedition Cruises will launch the world's most spacious, purpose-built luxury expedition yacht, *Crystal Endeavor*. The 200-guest, approximately 20,000 GRT polar class (PC6) yacht will take the renowned Crystal standard of luxury to the farthest corners of the earth on remote journeys of great adventure and discovery.

Crystal Endeavor's expedition voyages of 10- to 28-nights will explore destinations legendary and unknown, remote and remarkable throughout Antarctica; Japan; the Russian Far East, Aleutian Islands and Alaska; Australia, New Zealand; Indonesia and the Indian Ocean; Norway and the United Kingdom; Western Europe; Canary Islands and Atlantic; and South America. In late February, Crystal announced that *Crystal Endeavor* will also sail the elusive Northeast Passage in 2021. *Crystal Endeavor* journeys are currently open for booking with expedition and excursion details to be announced at a later date.

Public Spaces

The dining experience aboard *Crystal Endeavor* will remain true to the diverse menus and standard of world-class cuisine offered on all Crystal Ocean, Yacht and River vessels, with all-inclusive dining, fine wines and premium spirits offered throughout.

Specialty restaurants will include Prego, which serves traditional Italian fare, and will also host Crystal's signature "Vintage Room" winemaker's dinners; and Umi Uma, serving signature sushi and specialties from Master Chef Nobu Matsuhisa. Additionally, the yacht will feature the elegant main dining venue, Waterside; Marketplace, located in the two-story solarium in the evenings; and the European-inspired Bistro Café, which will offer full service breakfast and lunch and will be a go-to spot for freshly brewed espresso and teas.

The elegant Palm Court – a favorite hub for afternoon tea, cocktails, dancing and floor-to-ceiling views aboard Crystal's ocean and river ships – will be on board *Crystal Endeavor* for evening entertainment, as well as enrichment presentations and classes. Other elegant social spaces will be the Connoisseur Club cigar lounge; Crystal Cove, the heart of the ship where guests will gather for expert

guest speakers, pre-dinner cocktails and late-night entertainment; and the only casino on an expedition yacht.

Enrichment venues will include the Captain's Lounge, the Expedition Lounge, the Helicopter Lounge and the Library. The Promenade will stretch from Crystal Cove to Waterside and be a more intimate space for guests to enjoy cocktails, conversation and spectacular views. Crystal's onboard boutiques, Apropos and Facets, will feature designer and fine jewelry shopping. Wellness options will include a fully-equipped fitness center and dedicated Crystal Life Spa & Salon with three treatment rooms, separate men's and women's steam and sauna facilities, a relaxation room and a two-story solarium pool deck enclosed under a glass-domed roof.

Expansive mud rooms are designed to accommodate preparation for the day's adventures and offer cleaning of boots and equipment upon guests' return from a day exploring ashore.

All-Suite Accommodations

Crystal Endeavor's accommodations will be industry game-changers, amongst the largest, most spacious suites in expedition cruising, featuring private verandah's and butler service for every suite. Luxury touches include king-sized beds; walk-in closets; heated storage for drying parkas; spa-like bathrooms with adjustable heated floors, dual vanities, anti-fog mirrors and rain-showerheads.

Stylish design is matched by state-of-the-art technological amenities that will enhance the experience with fine details, like ambient lighting, interactive streaming TVs and bedside iPads in every suite that offer voyage information and numerous international daily newspapers.

Crystal Endeavor's 100 suites will include one Owners Suite (1,130 sq. ft.), one Expedition Penthouse (985 sq. ft.), eight Penthouse Suites (457 sq. ft.) and 90 Deluxe Suites (304 sq. ft.). The Owners Suite features a two-bedroom layout, while the one-bedroom Expedition Penthouse connects to an adjacent Deluxe Suite through an adjoining entry, ideal for families and friends traveling together. Both offer dedicated dining areas and butler's prep space for in-suite dining from any of *Crystal Endeavor's* Michelin-level eateries. The Penthouse Suites and Deluxe Suites offer separated sleeping and sitting areas, private verandahs and desk vanity areas.
